Size :- 9.5 Feet (2900mm) Width :- 125mm (+/-5%)
Thickness:- 12mm (+/-5%)

DISCLAIMER

- Color, texture, and finish variations may occur between different production batches.
- Customers are advised to plan and order full requirements together for best consistency.
- The company accepts no liability for damages, misuse, or improper installation.
- The Pastel Theory products are sold without any guarantee or warranty.
- Fire-retardancy is tested under controlled laboratory conditions; performance may vary in actual site conditions.
- Designs and specifications are subject to change without prior notice.
- The Pastel Theory Louvers are designed for interior applications only and are not recommended for outdoor or exterior use.
